Please supply the following information:

1) What day of the month you wish your account to be drafted? _____

2) The amount of your monthly draft: \$ _____

3) The name of your bank. _____

4) Is your bank account a checking or savings account? _____

5) The bank's routing (ABA) number: _____

6) Your bank account number: _____

*(If you're not sure about these numbers, please
enclose a voided check with your response.)*

7) Your signature. _____

Please note: It takes about two weeks to get an account set up for the transfer process through the Federal Reserve. When the set-up is complete, we will be ready to process the first draft. However, if the date you chose for your draft has already passed, we will have to wait until the following month to process it. In the event that the date you choose falls on a weekend or holiday, it is usual for the draft to occur on the next workday. We will draft your account each month until we receive notice from you, a relative, or your bank to cease the process.

We truly appreciate your kindness and generosity in wanting to give to World Christian Broadcasting. May God bless you!
